Things you need to take care of.......
After I found out that you were working with outsiders,
I wondered about asking your colleagues to cooperate with us.
!
Cooperation?
Then, you mean investigating together and such?
If you agree and the conditions allow for it.
After I came to Korea, I was fairly surprised.
I never imagined there would be others having on these cases before us.
If you, Detective Lee, and your colleagues help us out, our investigation will progress much faster.
...What about in America?
Were there no psychics working who were willing to help?
...That's why you're asking for our cooperation?
There were psychics working with us.
Sadly, they were unable to come with us to Korea.
Yes, of course.
But there's one thing I want to make sure everyone understands.
S... Mr. Tenka Henningquald?
It's Henningquald. Is there a problem?
Not a problem, per se...
You were born between a Japanese mother and a German father.
And lived in Japan until you were about 10, when you moved to Germany.
Also, you finished up to your college education in Germany before moving back to Japan 3 years ago with a long term visa.
And just one month ago you came to Korea.
And you're not like us, who have a moral obligation to help others.
...You've done a background check on me? So what?
Also, looking at your family, relatives, or those around you, there are no psychics......
You have no connection with Korea.
And more than anything else, Mr. Tenka, your skills as a psychic are unclear.
Even if you're a colleague of Detective Lee, it's hard to find a reason to include a foreign civilian with no particular experience.
So I would like for you to explain in detail what kind of experience you have.
You're a funny woman.
So, because I'm suspicious you want me to make my identity clear?
Sir, don't take this the wrong way.
For the safety of the investigation.....
So, what, you want me to bring my mother and father to Korea and prove they're my parents?
You know you people are really annoying! You're asking for cooperation on this investigation while going around and doing background checks...
Because you're FBI you think you can go around doing these things? And in someone else's country?
You're threatening me
When the least you can do is ask respectfully for our cooperation. I never had any intention of working with you from the beginning, so don't even try.
...If you don't want to, that's fine. I won't force you.
Who cares if you work with the FBI or make rice.
Mr.Tenka..!
Good luck, you arrogant power holders.
SLAM!
He has a fiery temper.

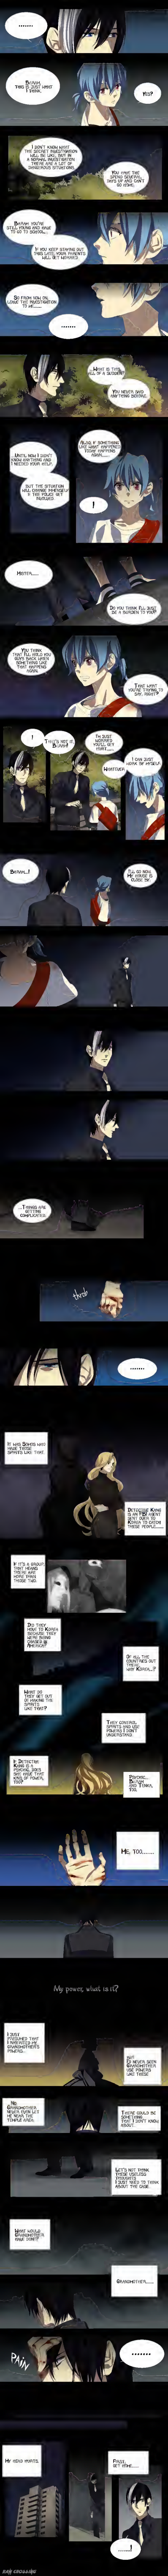
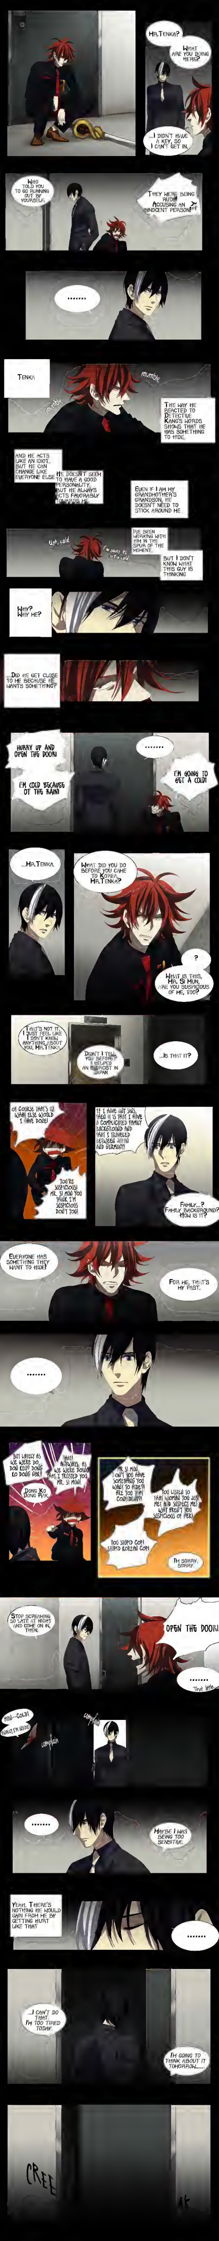
GENERAL CHAPTER 32
Where did the foreign old geezer go......
I'm sure he just went home. He has nowhere else to go.
That's true......
....
....
...Aren't you tired?
So-so.
But Mister, are you going to do it? The secret investigation......
Hum?
Well, I already have the Kang Ryeuk Ban, so I can't make a decision.
What about you, Sarah?
I don't really want to work with the police, but if you're there I don't think I'd mind.
RAW CROSSING



....
Barah, this is just what I think.
Yes?
I don't know what the secret investigation will be like, but in a normal investigation there are a lot of dangerous situations.
You have the spend several days up and can't go home.
Baram you're still young and have to go to school.
If you keep staying out this late, your parents will get worried.
So from now on, leave the investigation to me......
....
What is this all of a sudden?
You never said anything before.
Until now I didn't know anything and I needed your help.
Also if something like what happened today happens again......
But the situation will change immensely if the police get involved.
!
Mister......
Do you think I'll just be a burden to you?
You think that I'll hold you guys back when something like that happens again.
That what you're trying to say, right?
!
That's not it, Barah!
I'm just worried you'll get hurt......
Whatever
I can just work by myself.
Barah...!
I'll go now. My house is close by.
...Things are getting complicated.
throb
....
It was Sohos who made those spirits like that.
Detective Kang is an FBI agent sent over to Korea to catch these people......
If it's a group, that means there are more than those two.
Did they move to Korea because they were being chased in America?
Of all the countries out there, why Korea...?
What do they get out of making the spirits like that?
They control spirits and use powers I don't understand.
If Detective Kang is a psychic, does she have that kind of power, too?
Psychic... Barah and Tenka, too.
Me, too......
My power, what is it?
I just presumed that I inherited my grandmother's powers.
But I'd never seen grandmother use powers like these
No grandmother never even let me near the temple area
There could be something that I don't know about.
Let's not think these useless thoughts I just need to think about the case
What would grandmother have done?
Grandmother......
....
Pain
My head hurts.
First, get home......
......!
RAW CROSSING



MR.TENKA? WHAT ARE YOU DOING HERE?
...I DIDN'T HAVE A KEY, SO I CAN'T GET IN.
WHO TOLD YOU TO GO RUNNING OUT BY YOURSELF.
THEY WERE BEING RUDE! ACCUSING AN INNOCENT PERSON!

THE WAY HE REACTED TO DETECTIVE KANG'S WORDS SHOWS THAT HE HAS SOMETHING TO HIDE.
AND HE ACTS LIKE AN IDIOT. BUT HE CAN CHANGE LIKE EVERYONE ELSE
HE DOESN'T SEEM TO HAVE A GOOD PERSONALITY BUT HE ALWAYS ACTS FAVORABLY TOWARDS ME
EVEN IF I AM MY GRANDMOTHER'S GRANDSON, HE DOESN'T NEED TO STICK AROUND ME
Ugh, cold
I'm going to get a cold
I'VE BEEN WORKING WITH HIM IN THE SPUR OF THE MOMENT.
BUT I DON'T KNOW WHAT THIS GUY IS THINKING

THAT'S NOT IT, I JUST FEEL LIKE I DON'T KNOW ANYTHING ABOUT YOU, MR.TENKA.

...IS THAT IT?
OF COURSE THAT'S IT! WHAT ELSE WOULD I HAVE DONE!
YOU'RE SUSPICIOUS! MR. SI MUN YOU THINK I'M SUSPICIOUS DON'T YOU!
IF I HAVE ANY SINS, THEN IT IS THAT I HAVE A COMPLICATED FAMILY BACKGROUND AND I TRAVELED BETWEEN JAPAN AND GERMANY!
FAMILY...? FAMILY BACKGROUND? HOW IS IT?

FOR ME, THAT'S MY PAST.
....
BUT LATELY AS WE WERE DO, DOU KEO? DONG KO DONG NAK?

complain
....
MAYBE I WAS BEING TOO SENSITIVE.
